

The Recycle Bin

The Recycle Bin accepts the following commodities:

In the bin itself you can put directly the following:

Dagblátt og tímarit

Newspapers and Magazines

Skrifstofupappír

Office paper, brochures, envelopes & promotion leaflets.

Byggingapappír

Cardboard e. g. clean pizza cartons & cereal boxes.

You can also put in the upper compartment in clear plastic bags, one commodity per bag, the following:

Málar

Metal objects such as tins and jarlids.

Femar

Clean and folded milk and juice cartons.

Plást

Plastic packaging, plastic bags and other plastic objects.

Battíðlar

Batteries in specially marked blue bags.

The Recycle Bin is emptied once a month.

You can find servicing days on:

www.gamarvest.is.

With the Recycle Bin you can have a box for collection of paper indoors and a box and blue bags for batteries.

Please no glass as it may cause accidents during recycling.
